

YMCA Of Mandalay – Community Support Activities Update

Date: 12th June 2025

Dear Osaka YMCA Team,

We hope this message finds you well. We would like to share a brief update on our recent activities supporting communities affected by the recent earthquake in Mandalay.

Community Impact and YMCA Facility Update

Following the earthquake, many residents of Mandalay have faced significant challenges. Some families continue to live in temporary shelters, while others are working to rebuild their damaged homes. Our own Mandalay YMCA facility sustained some damage—while some areas have been renovated, others are still awaiting repair.

Despite this, we have been able to reopen our key programs, including preschools and language classes, providing stability and learning opportunities for the community.

Ongoing Support and Distributions

Mandalay YMCA has been actively supporting earthquake-affected families through the distribution of essential supplies. In collaboration with partner organizations, we have provided:

- Food items (including rice, cooking oil, dry noodles)
- Medicines and basic healthcare supplies
- Temporary shelter materials
- Multi-purpose cash assistance

These efforts are part of our broader emergency-related support programs, which are ongoing in both Mandalay and Sagaing regions.

Special Activity – World YMCA 181st Anniversary

To celebrate **the 181st Anniversary of the World YMCA**, we hosted a special event with generous contributions from **Osaka YMCA** :
